Kaoud Carpets & Rugs Rounds Out Collection of Fine Broadloom

Wilton, Ct – (April 5, 2010) – [Kaoud Carpets & Rugs](#) today announced their partnership with [Summit International Flooring](#), a leading full-service flooring provider, to bring you Van Besouw finely crafted carpeting. Van Besouw products are ideal for installations where quality, beauty and function are priority. Kaoud Carpet & Rugs is one of only a select number of Partner Dealer/Showrooms chosen to represent this product line in Connecticut.

Kaoud Carpet & Rugs was founded in 1954 by Fred Kaoud, Sr. along with his two brothers. His dream was to offer the finest values in carpeting and oriental rugs to the growing Connecticut market. Over the years, the company has grown along with its reputation of offering only top quality products at fair and honest pricing. The [Van Besouw](#) line of carpeting is an ideal complement.

Van Besouw broadloom carpets and area rugs are constructed of progressive fibers and materials, such as cotton, goat hair and wool and are available in modern designs and patterns. The timeless moquettes with perfectly smooth pile is available in an array of colors to match the carpet's timeless & classic character. Van Besouw carpet is manufactured in environmentally friendly production facilities in Holland.

With the addition of the Van Besouw line, Kaoud Carpets & Rugs continues to diversify their exquisite line of carpets and oriental rugs for both the residential and commercial marketplace.
