Summit International Flooring proudly presents three unique product lines at HD Boutique in Miami

September '10 - Livingston, NJ – Summit International Flooring is proud to showcase three unique products at HD Boutique this year. Imported exclusively by Summit, these lines offer high-end, state-of-the art flooring solutions.

Summit International Flooring serves top designers, architects, facilities managers, floor covering professionals and private clients who require top quality goods and exceptional value. Whether for the home of the most discerning clients, the office space designed by the top architect in their field or athletic or multi-purpose uses such as residential gymnasiums, rooftop decks, patios, outdoor spaces or children's play spaces, Summit is the source.

Unlike other flooring vendors, Summit has special relationships with many manufacturers so that designers, architects, etc. can achieve their flooring goals. Summit's outstanding reputation with these suppliers helps guarantee the best pricing and priority scheduling to complete jobs on time and in budget.
