

Standard warranty conditions for Landscaping applications of Edel Grass B.V.

Edel Grass B.V.: Warranty and guidelines for artificial turf for Landscaping

1. Edel Grass B.V. guarantees that: **for 8 years!!**

a) The artificial turf will remain resistant against the influence of the weather, like UV radiation based on northern European climatic conditions, temperatures to 65°C, moisture, rot and mould, provided the turf is maintained as described in Articles 6 and 7;

b) For 8 years after installation the artificial turf will not suffer any abnormal wear, unless it is damaged or there are any defects resulting from the causes listed under 2.

2. Damage and defects resulting from the following causes are in any case excluded from the warranty:

- vandalism, fire, chemical reactions and (natural) disasters;
- improper use of the turf, including use for purposes other than those for which it was installed or designed;
- use of incorrect or defective (sports) attributes and/or incorrect or defective training shoes (for example smooth soles);
- incorrect or insufficient maintenance and/or cleaning other than prescribed by Edel Grass B.V.
- circumstances that are attributable to the client or to persons for whom the client is responsible;
- wear or deterioration as a result of poor foundation construction;
- chemical reactions caused by the infill product;
- incorrect installation other than installation defined by Edel Grass B.V.
- post-fibrillation as a result of use, and inherent in the type of fibres;

3. The warranty entitlement applies exclusively to damage to the materials of the artificial turf.

The value of the claim will never exceed the value of the supplied materials.

Edel Grass B.V. is not liable for consequential losses or damage to (other) property of the client or third parties, except in the case of an intentional act or omission or gross negligence on the part of Edel Grass B.V.

4. Edel Grass B.V. uses the following calculation model for calculating the payment for use in relation to the agreed warranty period.

Edel Grass B.V. will carry the following costs:

- in the first year after delivery: 100 % of the aforementioned costs;
- in the second year after delivery: 75 % of the aforementioned costs;
- in the third year after delivery: 55 % of the aforementioned costs;
- in the fourth year after delivery: 40 % of the aforementioned costs;
- in the fifth year after delivery: 30 % of the aforementioned costs;
- in the sixth year after delivery: 20 % of the aforementioned costs;
- in the seventh year after delivery: 10% of the aforementioned costs;
- in the eighth year after delivery: 5 % of the aforementioned costs

5. During the warranty period the artificial turf must be maintained and used by the association and/or client in accordance with the maintenance* and usage* instructions supplied by Edel Grass B.V.

6. This warranty becomes invalid if and to the extent that repair work has been done to the field or the turf has been replaced without prior written permission from Edel Grass B.V., or if the daily maintenance and usage do not comply with the maintenance plan and usage guidelines as stipulated under 7.

7. Warranty matters will only be processed after the receipt of a written claim.
